## TO WIC PROGRAM PARTICIPANTS:

This Directory is to help you find the nearest WIC Program when you move to a new area. Section III of this Directory contains a list of all WIC Programs in Texas, Colorado, Iowa, Kansas, Missouri, Nebraska, North Dakota, Illinois, Indiana, Michigan, Minnesota, Ohio and Wisconsin.

The WIC Programs are listed according to the county where they are located. To use the Directory, find the county where you will be living and see if a WIC Program is listed. Sometimes the Directory will tell you to "see \_\_\_\_\_ county." For example, when you look up Baca County, Colorado it says "see Prowers County." When this happens, look up the county listed for the nearest WIC Program.

If you do not know the name of the county where you will be living, look at the address of each WIC Program listed for the State to which you are going.

When you arrive in the new area, if possible, we suggest you telephone the WIC Program Clinic to find out the hours of the clinic.

## A LOS PARTICIPANTES DEL PROGRAMA DE WIC:

Esta guía es para usted para que pueda encontrar el Programa de WIC más cerca de usted cuando muda de un lugar a otro. La Sección III de esta guía tiene una lista de todos los Programas de WIC en Texas, Colorado, Iowa, Kansas, Missouri, Nebraska, North Dakota, Illinois, Indiana, Michigan, Minnesota, Ohio y Wisconsin.

Para encontrar el programa más cerca de usted, tiene que buscarlo por medio de la lista de los condados del estado. Primero, busque el condado donde estará viviendo y mire si tiene un programa. A veces la guía le dira "see \_\_\_\_\_ county", esto quiere decir "refiere al condado de \_\_\_\_\_." Por ejemplo, busque el programa del condado de Baca, Colorado, allí la guía dice "see Prowers County." Cuando esto pasa, busque ese condado para la dirección del Programa de WIC más cerca de usted.

Si no sabe el nombre del condado donde usted estará viviendo, mire a la dirección de cada Programa de WIC en el estado donde va a vivir y encuentre un programa en la ciudad más cerca de donde va a estar viviendo.

Cuando usted llega, a un nuevo lugar, si es posible, le sugerimos que llame a la clínica de WIC para averiguar las horas que está abierta.

## LOCAL AGENCY INSTRUCTIONS

The WIC Program Directory of Local Agencies is to be used as a tool for referring Migrant WIC participants to WIC Programs as they move during the migration season. The Directory is divided into four sections which contain the following information:

### SECTION I

A list of the WIC Program Directors in the 13 States serving migrants is included for your information. If a problem occurs and you need the assistance of a WIC Program Director, feel free to contact the necessary person listed on the sheet in this section.

### SECTION II

A list of State agency codes throughout the United States is included in this section of the Directory. The codes are for your use in filling out the migrant participation log and verification of certification card, when a migrant from a home base State not participating in the Project comes into a local agency for the first time to receive a card. The State code will be recorded to identify the participant's permanent residence.

### SECTION III

This section comprises the main body of the Directory. It includes a listing of counties in each State, the county code, the address and phone number of the local agency, the local agency code, and other counties served by the local agency. In addition, the counties served by the local agency are cross-referenced individually. Please remember the importance of the local agency code number. The local agency code number is to be included on the verification of certification card as well as on the participation log. The phone numbers located under the local agency address in the Directory should be used when necessary information (i.e., missing information on verification of certification card, etc.) can't be acquired from the individual or her record.

There are asterisks by some of the local agencies in each State. The asterisks indicate local agencies, which to our knowledge, are prepared to participate in the Migrant Project. This asterisk does not mean that the local agency or clinic will only serve migrants. Also, those local agencies without an asterisk will also serve migrants, but they may not be actually participating in the Migrant Project (e.g., filling out logs and cards, etc.).

### SECTION IV

A list of the Commodity Supplemental Food Programs in the 13 States serving migrants is included so that migrant participants can be referred to Commodity Supplemental Food Programs.
